

BOX TOPS FOR EDUCATION

CLIP AND SAVE

The *Box Tops for Education* program helps TVES earn cash. It's simple to participate, and there is no selling involved. All you need to do is **carefully clip** the *Box Tops for Education* coupons off of participating products.

Check your pantry.

Tell your friends, relatives, and co-workers to save them for you.

Save all year long, even over the summer.

Every box top is 10 cents towards the school.

Have your child bring them to class.

We will collect them, tally them, and send them to the company.

All you have to do is clip and save.

This year's collection drive runs through February 17, 2012.

First Classroom Collection Date: October 17, 2011

All box top money collected will be used to supplement the cost of Field Day t-shirts.
