Dear Families,

I wanted to inform you about some of the recent changes made in our nursing staff.

Our school nurse, Denise Judelson, has retired after 26 years of service to North Branford Schools. Many families have had the pleasure of working with Mrs. Judelson at Jerome Harrison School as well as Totoket Valley. We are grateful and appreciative of her many contributions to our district, and wish her all of the best as she enjoys this time with her family and friends. She will be missed! (Please check out our school website at totoket.northbranfordschools.org if you would like to view a photo from her retirement party).

I am pleased to announce that Cindi Tirollo has returned to TVES as our school nurse. Mrs. Tirollo worked in our school until the district nursing staff was decreased in the Fall of 2010. She was immediately recalled once Mrs. Judelson announced her retirement plans. They have had time to consult and collaborate together in order to facilitate a smooth transition. Mrs. Tirollo has reacquainted herself with the students, staff, and school routines. We feel very fortunate to have her return to our school community.

If you have any health concerns regarding your child, please feel free to contact Mrs. Tirollo at (203)484-1460 or you may email her at ctirollo@northbranfordschools.org

Sincerely,

Kris Lindsay
