

Vision Statement

*TVES will be a school of excellence where all members demonstrate **continuous academic and personal growth** within a **positive school climate**.*

Mission Statement

*It is the mission of TVES to provide **rigorous instruction, high expectations for learning and behavior, and opportunities for creative expression** within a **safe and positive school climate**. We recognize that “**all students can learn and succeed**, but not on the same day in the same way” (William H. Spady). Therefore, a **continuum** of academic, social, and behavioral supports will be provided for students to demonstrate **continuous progress**.*

Core Beliefs

- *All students can reach **high levels of academic achievement**.*
- ***High quality instruction** will result in **improved learning** outcomes for all students as measured by multiple sources of data.*
- *All members of the school community are **responsible and accountable** for student learning.*
- *The strength of a **community** is tied to the **quality of its public schools**.*

We Value

- *Student **effort, engagement, and perseverance** in the learning process*
- ***Rigorous, relevant, and high quality** instruction*
- ***Continuing improvement** by systematically assessing our actions and outcomes*
- ***Creativity, innovation, and inquisitiveness** in problem-solving*
- *The responsible use of **technology** in the pursuit of knowledge and communication*
- ***Diversity** in backgrounds, races, cultures, perspectives, interests, and abilities*
- ***Reflective practices** that result in learning from successes as well as setbacks*
- ***Honesty and integrity** in all interactions*
- ***Inclusive practices** that provide **opportunity, equity, fairness, and acceptance***
- ***Safe, respectful choices** that promote the **health, physical and mental well-being** of all school community members*
- ***Music, art, and other forms of creative expression** to become well-rounded individuals*
- ***Community service and ecological awareness** as members of a **local and global society***
- ***Parents as their child’s first teacher and essential partners** in their child’s education*

Children are our future. We are dedicated to their success.
